 and dues, public and private, at the time of payment, in equal monthly installments in advance on the first day of each
 month during said term, at the office of Owner or such other place as Owner may designate, without any set off or
 deduction whatsoever, except that Tenant shall pay the first monthly installment(s) on the execution hereof
 (unless this lease be a renewal).

The parties hereto, for themselves, their heirs, distributees, executors, administrators, legal representatives,
 successors and assigns, hereby covenant as follows:

- Rent** 1. Tenant shall pay the rent as above and as hereinafter provided.
Occupancy 2. Tenant shall use and occupy demised premises for

full service nail salon and related services

and for no other purpose. Tenant shall at all times conduct its business in a high grade and reputable manner, shall not violate Article 37 hereof, and shall keep
 show windows and signs in a neat and clean condition.

Alterations: 3. Tenant shall make no changes in or to the demised
 premises of any nature without Owner's prior written
 consent. Subject to the prior written consent of Owner, and to the provisions of this article, Tenant at Tenant's expense, may make alterations, installations, additions or improvements which are non-structural and which do not affect utility services or plumbing and electrical lines, in or to the interior of the demised premises by using contractors or mechanics first approved by Owner. Tenant shall, before making any alterations, additions, installations or improvements, at its expense, obtain all permits, approvals and certificates required by any governmental or quasi-governmental bodies and (upon completion) certificates of final approval thereof and shall deliver promptly duplicates of all such permits, approvals and certificates to Owner and Tenant agrees to carry and will cause Tenant's contractors and sub-contractors to carry such workman's compensation, general liability, personal and property damage insurance as Owner may require. If any mechanic's lien is filed against the demised premises, or the building of which the same forms a part, for work claimed to have done for, or materials furnished to, Tenant, whether or not done pursuant to this article, the same shall be discharged by Tenant within ten days thereafter, at Tenant's expense, by filing the bond required by law. All fixtures and all paneling, partitions, railings and like installations, installed in the premises at any time, either by Tenant or by Owner in Tenant's behalf, shall, upon installation, become the property of Owner and shall remain upon and be surrendered with the demised premises unless Owner, by notice to Tenant no later than twenty days prior to the date fixed as the termination of this lease, elects to relinquish Owner's rights thereto and to have them removed by Tenant, in which event, the same shall be removed from the premises by Tenant prior to the expiration of the lease, at Tenant's expense. Nothing in this article shall be construed to give Owner title to or to prevent Tenant's removal of trade fixtures, moveable office furniture and equipment, but upon removal of any such from the premises or upon removal of other installations as may be required by Owner, Tenant shall immediately and at its expense, repair and restore the premises to the condition existing prior to installation and repair any damage to the demised premises or the building due to such removal. All property permitted or required to be removed by Tenant at the end of the term remaining in the premises after Tenant's removal shall be deemed abandoned and may, at the election of Owner, either be retained as Owner's property or may be removed from the premises by Owner at Tenant's expense.

Repairs 4. Owner shall maintain and repair the public portions
 of the building, both exterior and interior, except that if
 Owner allows Tenant to erect on the outside of the building a sign or signs, or a hoist, lift or sidewalk elevator for the exclusive use of Tenant, Tenant shall maintain such exterior installations in good appearance and shall cause the same to be operated in a good and workmanlike manner and shall make all repairs thereto necessary to keep same in good order and condition, at Tenant's own cost and expense, and shall cause the same to be covered by the insurance provided for hereafter in Article 8. Tenant shall, throughout the term of this lease, take good care of the demised premises and the fixtures and appurtenances therein, and the sidewalks adjacent thereto, and at its sole cost and expense, make all non-structural repairs thereto as and when needed to preserve them in good working order and condition, reasonable wear and tear, obsolescence and damage from the elements, fire or other casualty, excepted. If the demised premises be or become infested with vermin, Tenant shall at Tenant's expense, cause the same to be exterminated from time to time to the satisfaction of Owner. Except as specifically provided in Article 9 or elsewhere in this lease, there shall be no allowance to the Tenant for the diminution of rental value and no liability on the part of Owner by reason of inconvenience, annoyance or injury to business arising from Owner, Tenant or others making or failing to make any repairs, alterations, additions or improvements in or to any portion of the building including the erection or operation of any crane, derrick or sidewalk shed, or in or to the demised premises or the fixtures, appurtenances or equipment thereof. The provisions of this article 4 with respect to the making of repairs shall not apply in the case of fire or other casualty which are dealt with in article 9 hereof.

Window Cleaning: 5. Tenant will not clean nor require, permit, suffer or allow any window in the demised premises to be cleaned from the outside in violation of Section 202 of the New York State Labor Law or any other applicable law or of the Rules of the Board of Standards and Appeals, or of any other Board or body having or asserting jurisdiction.

Requirements of Law, Fire Insurance: 6. Prior to the commencement of the lease term, if Tenant is then in possession, and at all times thereafter, Tenant at Tenant's sole cost and expense, shall promptly comply with all present and future laws, orders and

regulations of all state, federal, municipal and local governments, departments, commissions and boards and any direction of any public officer pursuant to law, and all orders, rules and regulations of the New York Board of Fire Underwriters or the Insurance Services Office, or any similar body which shall impose any violation, order or duty upon Owner or Tenant with respect to the demised premises, and with respect to the portion of the sidewalk adjacent to the premises, if the premises are on the street level, whether or not arising out of Tenant's use or manner of use thereof, or with respect to the building if arising out of Tenant's use or manner of use of the premises or the building (including the use permitted under the lease). Except as provided in Article 29 hereof, nothing herein shall require Tenant to make structural repairs or alterations unless Tenant has by its manner of use of the demised premises or method of operation therein, violated any such laws, ordinances, orders, rules, regulations or requirements with respect thereto. Tenant shall not do or permit any act or thing to be done in or to the demised premises which is contrary to law, or which will invalidate or be in conflict with public liability, fire or other policies of insurance at any time carried by or for the benefit of Owner. Tenant shall pay all costs, expenses, fines, penalties or damages, which may be imposed upon Owner by reason of Tenant's failure to comply with the provisions of this article. If the fire insurance rate shall, at the beginning of the lease or at any time thereafter, be higher than it otherwise would be, then Tenant shall reimburse Owner, as additional rent hereunder, for that portion of all fire insurance premiums thereafter paid by Owner which shall have been charged because of such failure by Tenant, to comply with the terms of this article. In any action or proceeding wherein Owner and Tenant are parties, a schedule or "make-up" of rate for the building or demised premises issued by a body making fire insurance rates applicable to said premises shall be conclusive evidence of the facts therein stated and of the several items and charges in the fire insurance rate then applicable to said premises.

Subordination: 7. This lease is subject and subordinate to all ground or underlying leases and to all mortgages which may now or hereafter affect such leases or the real property of which demised premises are a part and to all renewals, modifications, consolidations, replacements and extensions of any such underlying leases and mortgages. This clause shall be selfoperative and no further instrument of subordination shall be required by any ground or underlying lessor or by any mortgagee, affecting any lease or the real property of which the demised premises are a part. In confirmation of such subordination, Tenant shall execute promptly any certificate that Owner may request.

Tenant's Liability Insurance Property Loss, Damage, Indemnity: 8. Owner or its agents shall not be liable for any damage to property of Tenant or of others entrusted to employees of the building, nor for loss of or damage to any property of Tenant by theft or otherwise, nor for any injury or damage to persons or property resulting from any cause of whatsoever nature, unless caused by or due to the negligence of Owner, its agents, servants or employees. Owner or its agents will not be liable for any such damage caused by other tenants or persons in, upon or about said building or caused by operations in construction of any private, public or quasi public work. Tenant agrees, at Tenant's sole cost and expense, to maintain general public liability insurance in standard form in favor of Owner and Tenant against claims for bodily injury or death or property damage occurring in or upon the demised premises, effective from the date Tenant enters into possession and during the term of this lease. Such insurance shall be in an amount and with carriers acceptable to the Owner. Such policy or policies shall be delivered to the Owner. On Tenant's default in obtaining or delivering any such policy or policies or failure to pay the charges therefor, Owner may secure or pay the charges for any such policy or policies and charge the Tenant as additional rent therefor. Tenant shall indemnify and save harmless Owner against and from all liabilities, obligations, damages, penalties, claims, costs and expenses for which Owner shall not be reimbursed by insurance, including reasonable attorneys fees, paid, suffered or incurred as a result of any breach by Tenant, Tenant's agent, contractors, employees, invitees, or licensees, of any covenant on condition of this lease, or the carelessness, negligence or improper conduct of the Tenant, Tenant's agents, contractors, employees, invitees or licensees. Tenant's liability under this lease extends to the acts and omissions of any subtenant, and any agent, contractor, employee, invitee or licensee of any subtenant. In case any action or proceeding is brought against Owner by reason of any such claim, Tenant, upon written notice from Owner, will, at Tenant's expense, resist or defend such action or proceeding by Counsel approved by Owner in writing, such approval not to be unreasonably withheld.

Destruction, Fire and Other Casualty: 9. (a) If the demised premises or any part thereof shall be damaged by fire or other casualty, Tenant shall give immediate notice thereof to Owner and this lease shall continue in full force and effect except as hereinafter set forth. (b) If the demised premises are partially damaged or rendered partially unusable by fire or other casualty, the damages thereto shall be repaired by and at the expense of Owner and the rent, until such repair shall be substantially completed, shall be apportioned from the day following the casualty according to the part of the premises which is usable. (c) If the demised premises are totally damaged or rendered wholly unusable by fire or other casualty, then the rent shall be proportionately paid up to the time of the casualty and thenceforth shall cease until the date when the premises shall have been repaired and restored by Owner, subject to Owner's right to elect not to restore the same as hereinafter provided. (d) If the demised premises are rendered wholly unusable or (whether or not the demised premises are damaged in whole or in part) if the building shall be so damaged that Owner shall decide to demolish it or to rebuild it, then, in any of such events, Owner may elect to terminate this lease by written notice to

Tenant given within 90 days after such fire or casualty specifying a date for the expiration of the lease, which date shall not be more than 60 days after the giving of such notice, and upon the date specified in such notice the term of this lease shall expire as fully and completely as if such date were the date set forth above for the termination of this lease and Tenant shall forthwith quit, surrender and vacate the premises without prejudice however, to Owner's rights and remedies against Tenant under the lease provisions in effect prior to such termination, and any rent owing shall be paid up to such date and any payments of rent made by Tenant which were on account of any period subsequent to such date shall be returned to Tenant. Unless Owner shall serve a termination notice as provided for herein, Owner shall make the repairs and restorations under the conditions of (b) and (c) hereof, with all reasonable expedition subject to delays due to adjustment of insurance claims, labor troubles and causes beyond Owner's control. After any such casualty, Tenant shall cooperate with Owner's restoration by removing from the premises as promptly as reasonably possible, all of Tenant's salvageable inventory and movable equipment, furniture, and other property. Tenant's liability for rent shall resume five (5) days after written notice from Owner that the premises are substantially ready for Tenant's occupancy. (e) Nothing contained hereinabove shall relieve Tenant from liability that may exist as a result of damage from fire or other casualty. Notwithstanding the foregoing, each party shall look first to any insurance in its favor before making any claim against the other party for recovery for loss or damage resulting from fire or other casualty, and to the extent that such insurance is in force and collectible and to the extent permitted by law, Owner and Tenant each hereby releases and waives all right of recovery against the other or any one claiming through or under each of them by way of subrogation or otherwise. The foregoing release and waiver shall be in force only if both releasors' insurance policies contain a clause providing that such a release or waiver shall not invalidate the insurance and also, provided that such a policy can be obtained without additional premiums. Tenant acknowledges that Owner will not carry insurance on Tenant's furniture and/or furnishings or any fixtures or equipment, improvements, or appurtenances removable by Tenant and agrees that Owner will not be obligated to repair any damage thereto or replace the same. (f) Tenant hereby waives the provisions of Section 227 of the Real Property Law and agrees that the provisions of this article shall govern and control in lieu thereof.

Eminent Domain: 10. If the whole or any part of the demised premises shall be acquired or condemned by Eminent Domain for any public or quasi public use or purpose, then and in that event, the term of this lease shall cease and terminate from the date of title vesting in such proceeding and Tenant shall have no claim for the value of any unexpired term of said lease.

Assignment, Mortgage, Etc.: 11. Tenant, for itself, its heirs, distributees, executors, administrators, legal representatives, successors and assigns expressly covenants that it shall not assign, mortgage or encumber this agreement, nor underlet, or suffer or permit the demised premises or any part thereof to be used by others, without the prior written consent of Owner in each instance. If this lease be assigned, or if the demised premises or any part thereof be underlet or occupied by anybody other than Tenant, Owner may, after default by Tenant, collect rent from the assignee, under-tenant or occupant, and apply the net amount collected to the rent herein reserved, but no such assignment, underletting, occupancy or collection shall be deemed a waiver of the covenant, or the acceptance of the assignee, under-tenant or occupant as tenant, or a release of Tenant from the further performance by Tenant of covenants on the part of Tenant herein contained. The consent by Owner to an assignment or underletting shall not in any wise be construed to relieve Tenant from obtaining the express consent in writing of Owner to any further assignment or underletting.

Electric Current: 12. Rates and conditions in respect to submetering or rent inclusion, as the case may be, to be added in RIDER attached hereto. Tenant covenants and agrees that at all times its use of electric current shall not exceed the capacity of existing feeders to the building or the risers or wiring installation and Tenant may not use any electrical equipment which, in Owner's opinion, reasonably exercised, will overload such installations or interfere with the use thereof by other tenants of the building. The change at any time of the character of electric service shall in no wise make Owner liable or responsible to Tenant, for any loss, damages or expenses which Tenant may sustain.

Access to Premises: 13. Owner or Owner's agents shall have the right (but shall not be obligated) to enter the demised premises in any emergency at any time, and, at other reasonable times, to examine the same and to make such repairs, replacements and improvements as Owner may deem necessary and reasonably desirable to any portion of the building or which Owner may elect to perform, in the premises, following Tenant's failure to make repairs or perform any work which Tenant is obligated to perform under this lease, or for the purpose of complying with laws, regulations and other directions of governmental authorities. Tenant shall permit Owner to use and maintain and replace pipes and conduits in and through the demised premises and to erect new pipes and conduits therein, provided they are within the walls, Owner may, during the progress of any work in the demised premises, take all necessary materials and equipment into said premises without the same constituting an eviction nor shall the Tenant be entitled to any abatement of rent while such work is in progress nor to any damages by reason of loss or interruption of business or otherwise. Throughout the term hereof Owner shall have the

 Rider to be added if necessary.

*Tenant is not responsible for any existing violations and delays caused by such violations.

right to enter the demised premises at reasonable hours for the purpose of showing the same to prospective purchasers or mortgages of the building, and during the last six months of the term for the purpose of showing the same to prospective tenants and may, during said six months period, place upon the premises the usual notice "To Let" and "For Sale" which notices Tenant shall permit to remain thereon without molestation. If Tenant is not present to open and permit an entry into the premises, Owner or Owner's agents may enter the same whenever such entry may be necessary or permissible by master key or forcibly and provided reasonable care is exercised to safeguard Tenant's property and such entry shall not render Owner or its agents liable therefor, nor in any event shall the obligations of Tenant hereunder be affected. If during the last month of term Tenant shall have removed all or substantially all of Tenant's property therefrom, Owner may immediately enter, alter, renovate or redecorate the demised premises without limitation or abatement of rent, or incurring liability to Tenant for any compensation and such act shall have no effect on this lease or Tenant's obligations hereunder. Owner shall have the right at any time, without the same constituting an eviction and without incurring liability to Tenant therefor to change the arrangement and/or location of public entrances, passageways, doors, doorways, corridors, elevators, stairs, toilets, or other public parts of the building and to change the name, number or designation by which the building may be known.

Vault, Vault Space, Area: 14. No vaults, vault space or area, whether or not enclosed or covered, not within the property line of the building is leased hereunder, anything contained in or indicated on any sketch, blue print or plan, or anything contained elsewhere in this lease to the contrary notwithstanding. Owner makes no representation as to the location of the property line of the building. All vaults and vault space and all such areas not within the property line of the building, which Tenant may be permitted to use and/or occupy, is to be used and/or occupied under a revocable license, and if any such license be revoked, or if the amount of such space or area be diminished or required by any federal, state or municipal authority or public utility, Owner shall not be subject to any liability nor shall Tenant be entitled to any compensation or diminution or abatement of rent, nor shall such revocation, diminution or requisition be deemed constructive or actual eviction. Any tax, fee or charge of municipal authorities for such vault or area shall be paid by Tenant.

Occupancy: 15. Tenant will not at any time use or occupy the demised premises in violation of, Articles 2 or 37 hereof, or of, the certificate of occupancy issued for the building of which the demised premises are a part. Tenant has inspected the premises and accepts them as is, subject to the riders annexed hereto with respect to Owner's work, if any. In any event, Owner makes no representation as to the condition of the premises and Tenant agrees to accept the same subject to violations whether or not of record.

Bankruptcy: 16. (a) Anything elsewhere in this lease to the contrary notwithstanding, this lease may be cancelled by Landlord by the sending of a written notice to Tenant within a reasonable time after the happening of any one or more of the following events: (1) the commencement of a case in bankruptcy or under the laws of any state naming Tenant as the debtor; or (2) the making by Tenant of an assignment or any other arrangement for the benefit of creditors under any state statute. Neither Tenant nor any person claiming through or under Tenant, or by reason of any statute or order of court, shall thereafter be entitled to possession of the premises demised but shall forthwith quit and surrender the premises. If this lease shall be assigned in accordance with its terms, the provisions of this Article 16 shall be applicable only to the party then owning Tenant's interest in this lease.

(b) It is stipulated and agreed that in the event of the termination of this lease pursuant to (a) hereof, Owner shall forthwith, notwithstanding any other provisions of this lease to the contrary, be entitled to recover from Tenant as and for liquidated damages an amount equal to the difference between the rent reserved hereunder for the unexpired portion of the term demised and the fair and reasonable rental value of the demised premises for the same period. In the computation of such damages the difference between any installment of rent becoming due hereunder after the date of termination and the fair and reasonable rental value of the demised premises for the period for which such installment was payable shall be discounted to the date of termination at the rate of four per cent (4%) per annum. If such premises or any part thereof be re-let by the Owner for the unexpired term of said lease, or any part thereof, before presentation of proof of such liquidated damages to any court, commission or tribunal, the amount of rent reserved upon such reletting shall be deemed to be the fair and reasonable rental value for the part or the whole of the premises so re-let during the term of the re-letting. Nothing herein contained shall limit or prejudice the right of the Owner to prove for and obtain as liquidated damages by reason of such termination, an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, such damages are to be proved, whether or not such amount be greater, equal to, or less than the amount of the difference referred to above.

Default: 17. (1) If Tenant defaults in fulfilling any of the covenants of this lease other than the covenants for the payment of rent or additional rent; or if the demised premises become vacant or deserted; or if any execution or attachment shall be issued against Tenant or any of Tenant's property whereupon the demised premises shall be taken or occupied by someone other than Tenant; or if this lease be rejected under Section 365 of Title 11 of the U.S. Code (Bankruptcy Code); or if Tenant shall fail to move into or take possession of the premises within fifteen (15) days after the commencement of the term of this lease, of which

fact Owner shall be the sole judge; then, in any one or more of such events, upon Owner serving a written five (5) days notice upon Tenant specifying the nature of said default and upon the expiration of said five (5) days, if Tenant shall have failed to comply with or remedy such default, or if the said default or omission complained of shall be of a nature that the same cannot be completely cured or remedied within said five (5) day period, and if Tenant shall not have diligently commenced curing such default within such five (5) day period, and shall not thereafter with reasonable diligence and in good faith proceed to remedy or cure such default, then Owner may serve a written three (3) days notice of cancellation of this lease upon Tenant, and upon the expiration of said three (3) days, this lease and the term thereunder shall end and expire as fully and completely as if the expiration of such three (3) day period were the day herein definitely fixed for the end and expiration of this lease and the term thereof and Tenant shall then quit and surrender the demised premises to Owner but Tenant shall remain liable as hereinafter provided.

(2) If the notice provided for in (1) hereof shall have been given, and the term shall expire as aforesaid; or if Tenant shall make default in the payment of the rent reserved herein or any item of additional rent herein mentioned or any part of either or in making any other payment herein required; then and in any of such events Owner may without notice, re-enter the demised premises either by force or otherwise, and dispossess Tenant by summary proceedings or otherwise, and the legal representative of Tenant or other occupant of demised premises and remove their effects and hold the premises as if this lease had not been made, and Tenant hereby waives the service of notice of intention to re-enter or to institute legal proceedings to that end.

Remedies of Owner and Waiver of Redemption: 18. In case of any such default, re-entry, expiration and/or dispossession by summary proceedings or otherwise, (a) the rent, and additional rent, shall become due thereupon and be paid up to the time of such reentry, dispossession and/or expiration. (b) Owner may re-let the premises or any part or parts thereof, either in the name of Owner or otherwise, for a term or terms, which may at Owner's option be less than or exceed the period which would otherwise have constituted the balance of the term of this lease and may grant concessions or free rent or charge a higher rental than that in this lease, and/or (c) Tenant or the legal representatives of Tenant shall also pay Owner as liquidated damages for the failure of Tenant to observe and perform said Tenant's covenants herein contained, any deficiency between the rent hereby reserved and/or covenanted to be paid and the net amount, if any, of the rents collected on account of the subsequent lease or leases of the demised premises for each month of the period which would otherwise have constituted the balance of the term of this lease. The failure of Owner to re-let the premises or any part or parts thereof shall not release or affect Tenant's liability for damages. In computing such liquidated damages there shall be added to the said deficiency such expenses as Owner may incur in connection with re-letting, such as legal expenses, attorneys' fees, brokerage, advertising and for keeping the demised premises in good order or for preparing the same for re-letting. Any such liquidated damages shall be paid in monthly installments by Tenant on the rent day specified in this lease. Owner, in putting the demised premises in good order or preparing the same for re-rental may, at Owner's option, make such alterations, repairs, replacements, and/or decorations in the demised premises as Owner, in Owner's sole judgement, considers advisable and necessary for the purpose of re-letting the demised premises, and the making of such alterations, repairs, replacements, and/or decorations shall not operate or be construed to release Tenant from liability. Owner shall in no event be liable in any way whatsoever for failure to re-let the demised premises, or in the event that the demised premises are re-let, for failure to collect the rent thereof under such re-letting, and in no event shall Tenant be entitled to receive any excess, if any, of such net rent collected over the sums payable by Tenant to Owner hereunder. In the event of a breach or threatened breach by Tenant or any of the covenants or provisions hereof, Owner shall have the right of injunction and the right to invoke any remedy allowed at law or in equity as if re-entry, summary proceedings and other remedies were not herein provided for. Mention in this lease of any particular remedy, shall not preclude Owner from any other remedy, in law or in equity. Tenant hereby expressly waives any and all rights of redemption granted by or under any present or future laws.

Fees and Expenses: 19. If Tenant shall default in the observance or performance of any term or covenant on Tenant's part to be observed or performed under or by virtue of any of the terms or provisions in any article of this lease, then, unless otherwise provided elsewhere in this lease, Owner may immediately or at any time thereafter and without notice perform the obligation of Tenant thereunder, and if Owner, in connection therewith or in connection with any default by Tenant in the covenant to pay rent hereunder, makes any expenditures or incurs any obligations for the payment of money, including but not limited to attorney's fees, in instituting, prosecuting or defending any actions or proceedings, such sums so paid or obligations incurred with interest and costs shall be deemed to be additional rent hereunder and shall be paid by Tenant to Owner within five (5) days of rendition of any bill or statement to Tenant therefor, and if Tenant's lease term shall have expired at the time of making of such expenditures or incurring of such obligations, such sums shall be recoverable by Owner as damages.

No Representations by Owner: 20. Neither Owner nor Owner's agents have made any representations or promises with respect to the physical condition of the building, the land upon which it is erected or the demised premises, the rents, leases, expenses of operation, or any other matter or thing affecting or related to the premises except as herein expressly set forth and no rights, easements or licenses are

acquired by Tenant by implication or otherwise except as expressly set forth in the provisions of this lease. Tenant has inspected the building and the demised premises and is thoroughly acquainted with their condition, and agrees to take the same "as is" and acknowledges that the taking of possession of the demised premises by Tenant shall be conclusive evidence that the said premises and the building of which the same form a part were in good and satisfactory condition at the time such possession was so taken, except as to latent defects. All understandings and agreements heretofore made between the parties hereto are merged in this contract, which alone fully and completely expresses the agreement between Owner and Tenant and any executory agreement hereafter made shall be ineffective to change, modify, discharge or effect an abandonment of it in whole or in part, unless such executory agreement is in writing and signed by the party against whom enforcement of the change, modification, discharge or abandonment is sought.

End of Term: 21. Upon the expiration or other termination of the term of this lease, Tenant shall quit and surrender to Owner the demised premises, broom clean, in good order and condition, ordinary wear excepted, and Tenant shall remove all its property. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of this lease. If the last day of the term of this lease or any renewal thereof, falls on Sunday, this lease shall expire at noon on the preceding Saturday unless it be a legal holiday in which case it shall expire at noon on the preceding business day.

Quiet Enjoyment: 22. Owner covenants and agrees with Tenant that upon Tenant paying the rent and additional rent and observing and performing all the terms, covenants and conditions, on Tenant's part to be observed and performed, Tenant may peaceably and quietly enjoy the premises hereby demised, subject, nevertheless, to the terms and conditions of this lease including, but not limited to, Article 33 hereof and to the ground leases, underlying leases and mortgages hereinbefore mentioned.

Failure to Give Possession: 23. If Owner is unable to give possession of the demised premises on the date of the commencement of the term hereof, because of the holding-over or retention of possession of any tenant, undertenant or occupants, or if the premises are located in a building being constructed, because such building has not been sufficiently completed to make the premises ready for occupancy or because of the fact that a certificate of occupancy has not been procured or for any other reason, Owner shall not be subject to any liability for failure to give possession on said date and the validity of the lease shall not be impaired under such circumstances, nor shall the same be construed in any wise to extend the term of this lease, but the rent payable hereunder shall be abated (provided Tenant is not responsible for the inability to obtain possession) until after Owner shall have given Tenant written notice that the premises are substantially ready for Tenant's occupancy. If permission is given to Tenant to enter into the possession of the demised premises or to occupy premises other than the demised premises prior to the date specified as the commencement of the term of this lease, Tenant covenants and agrees that such occupancy shall be deemed to be under all the terms, covenants, conditions and provisions of this lease, except as to the covenant to pay rent. The provisions of this article are intended to constitute "an express provision to the contrary" within the meaning of Section 223-a of the New York Real Property Law.

No Waiver: 24. The failure of Owner to seek redress for violation of, or to insist upon the strict performance of any covenant or condition of this lease or of any of the Rules or Regulations set forth or hereafter adopted by Owner, shall not prevent a subsequent act which would have originally constituted a violation from having all the force and effect of an original violation. The receipt by owner of rent with knowledge of the breach of any covenant of this lease shall not be deemed a waiver of such breach and no provision of this lease shall be deemed to have been waived by Owner unless such waiver be in writing signed by Owner. No payment by Tenant or receipt by Owner of a lesser amount than the monthly rent herein stipulated shall be deemed to be other than on account of the earliest stipulated rent, nor shall any endorsement or statement of any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction, and Owner may accept such check or payment without prejudice to Owner's right to recover the balance of such rent or pursue any other remedy in this lease provided. No act or thing done by Owner or Owner's agents during the term hereby demised shall be deemed in acceptance of a surrender of said premises and no agreement to accept such surrender shall be valid unless in writing signed by Owner. No employee of Owner or Owner's agent shall have any power to accept the keys of said premises prior to the termination of the lease and the delivery of keys to any such agent or employee shall not operate as a termination of the lease or a surrender of the premises.

Waiver of Trial by Jury: 25. It is mutually agreed by and between Owner and Tenant that the respective parties hereto shall and they hereby do waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other (except for personal injury or property damage) on any matters whatsoever arising out of or in any way connected with this lease, the relationship of Owner and Tenant, Tenant's use of or occupancy of said premises, and any emergency statutory or any other statutory remedy. It is further mutually agreed that in the event Owner commences any summary proceeding for possession of the premises, Tenant will not interpose any counterclaim of whatever nature or description in any such proceeding.

Inability to Perform: 26. This lease and the obligation of Tenant to pay rent hereunder and perform all of the other covenants and agreements hereunder on part of Tenant to be performed shall in no wise be affected, impaired or excused because Owner is unable to fulfill any of its obligations under this lease or to supply or is delayed in supplying any service expressly or impliedly to be supplied or is unable to make, or is delayed in making any repair, additions, alterations or decorations or is unable to supply or is delayed in supplying any equipment or fixtures if Owner is prevented or delayed from so doing by reason of strike or labor troubles, government preemption in connection with a National Emergency or by reason of any rule, order or regulation of any department or subdivision thereof of any government agency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency, or when, in the judgement of Owner, temporary interruption of such services is necessary by reason of accident, mechanical breakdown, or to make repairs, alterations or improvements.

Bills and Notices: 27. Except as otherwise in this lease provided, a bill, statement, notice or communication which Owner may desire or be required to give to Tenant, shall be deemed sufficiently given or rendered if, in writing, delivered to Tenant personally or sent by registered or certified mail addressed to Tenant at the building of which the demised premises form a part or at the last known residence address or business address of Tenant or left at any of the aforesaid premises addressed to Tenant, and the time of the rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is delivered to Tenant, mailed, or left at the premises as herein provided. Any notice by Tenant to Owner must be served by registered or certified mail addressed to Owner at the address first hereinabove given or at such other address as Owner shall designate by written notice.

Water Charges: 28. If Tenant requires, uses or consumes water for any purpose in addition to ordinary lavatory purposes (of which fact Tenant constitutes Owner to be the sole judge) Owner may install a water meter and thereby measure Tenant's water consumption for all purposes. Tenant shall pay Owner for the cost of the meter and the cost of the installation thereof and throughout the duration of Tenant's occupancy Tenant shall keep said meter and installation equipment in good working order and repair at Tenant's own cost and expense. Tenant agrees to pay for water consumed, as shown on said meter as and when bills are rendered. Tenant covenants and agrees to pay the sewer rent, charge or any other tax, rent, levy or charge which now or hereafter is assessed, imposed or a lien upon the demised premises or the realty of which they are part pursuant to law, order or regulation made or issued in connection with the use, consumption, maintenance or supply of water, water system or sewage or sewage connection or system. The bill rendered by Owner shall be payable by Tenant as additional rent. If the building or the demised premises or any part thereof be supplied with water through a meter through which water is also supplied to other premises Tenant shall pay to Owner as additional rent, on the first day of each month, % of the total meter charges, as Tenant's portion. Independently of and in addition to any of the remedies reserved to Owner hereinabove or elsewhere in this lease, Owner may sue for and collect any monies to be paid by Tenant or paid by Owner for any of the reasons or purposes hereinabove set forth.

Sprinklers: 29. Anything elsewhere in this lease to the contrary notwithstanding, if the New York Board of Fire Underwriters or the Insurance Services Office or any bureau, department or official of the federal, state or city government require or recommend the installation of a sprinkler system or that any changes, modifications, alterations, or additional sprinkler heads or other equipment be made or supplied in an existing sprinkler system by reason of Tenant's business, or the location of partitions, trade fixtures, or other contents of the demised premises, or for any other reason, or if any such sprinkler system installations, changes, modifications, alterations, additional sprinkler heads or other such equipment, become necessary to prevent the imposition of a penalty or charge against the full allowance for a sprinkler system in the fire insurance rate set by any said Exchange or by any fire insurance company. Tenant shall, at Tenant's expense, promptly make such sprinkler system installations, changes, modifications, alterations, and supply additional sprinkler heads or other equipment as required whether the work involved shall be structural or non-structural in nature. Tenant shall pay to Owner as additional rent the sum of \$, on the first day of each month during the term of this lease, as Tenant's portion of the contract price for sprinkler supervisory service.

Heat, Cleaning: 30. As long as Tenant is not in default under any of the covenants of this lease Owner shall, if and insofar as existing facilities permit furnish heat to the demised premises, when and as required by law, on business days from 8:00 a.m. to 6:00 p.m. and on Saturdays from 8:00 a.m. to 1:00 p.m. Tenant shall at Tenant's expense, keep demised premises clean and in order, to the satisfaction of Owner, and if demised premises are situated on the street floor, Tenant shall, at Tenant's own expense, make all repairs and replacements to the sidewalks and curbs adjacent thereto, and keep said sidewalks and curbs free from snow, ice, dirt and rubbish. Tenant shall pay to Owner the cost of removal of any of Tenant's refuse and rubbish from the building. Bills for the same shall be rendered by Owner to Tenant at such times as Owner may elect and shall be due and payable when

MADE A PART OF THIS LEASE
IN ACCORDANCE WITH ARTICLE 35.

1. The sidewalks, entrances, driveways, passages, courts, elevators, vestibules, stairways, corridors or halls shall not be obstructed or encumbered by any Tenant or used for any purpose other than for ingress to and egress from the demised premises and for delivery of merchandise and equipment in a prompt and efficient manner using elevators and passageways designated for such delivery by Owner. There shall not be used in any space, or in the public hall of the building, either by any tenant or by jobbers, or others in the delivery or receipt of merchandise, any hand trucks except those equipped with rubber tires and safeguards.
2. If the premises are situated on the ground floor of the building, Tenant thereof shall further, at Tenant's expense, keep the sidewalks and curb in front of said premises clean and free from ice, snow, etc.
3. The water and wash closets and plumbing fixtures shall not be used for any purposes other than those for which they were designed or constructed.
4. Tenant shall not use, keep or permit to be used or kept any foul or noxious gas or substance in the demised premises, or permit or suffer the demised premises to be occupied or used in a manner offensive or objectionable to Owner or other occupants of the building by reason of noise, odors and/or vibrations or interfere in any way with other Tenants or those having business therein.
5. No sign, advertisement, notice or other lettering shall be exhibited, inscribed, painted or affixed by any Tenant on any part of the outside of the demised premises or the building or on the inside of the demised premises if the same is visible from the outside of the premises without the prior written consent of Owner, except that the name of Tenant may appear on the entrance door of the premises. In the event of the violation of the foregoing by any Tenant, Owner may remove same without any liability and may charge the expense incurred by such removal to Tenant or Tenants violating this rule. Signs on interior doors and directory tablet shall be inscribed, painted or affixed for each Tenant by Owner at the expense of such Tenant, and shall be of a size, color and style acceptable to Owner.
6. No Tenant shall mark, paint, drill into, or in any way deface any part of the demised premises or the building of which they form a part. No boring, cutting or stringing of wires shall be permitted, except with the prior written consent of Owner,

and as Owner may direct. No Tenant shall lay linoleum, or other similar floor covering, so that the same shall come in direct contact with the floor of the demised premises, and, if linoleum or other similar floor covering is desired to be used an interlining of builder's deadening felt shall be first affixed to the floor, by a paste or other material, soluble in water, the use of cement or other similar adhesive material being expressly prohibited.

7. Freight, furniture, business equipment, merchandise and bulky matter of any description shall be delivered to and removed from the premises only on the freight elevators and through the service entrances and corridors, and only during hours and in a manner approved by Owner. Owner reserves the right to inspect all freight to be brought into the building and to exclude from the building all freight which violates any of these Rules and Regulations or the lease of which these Rules and Regulations are a part.

8. Owner reserves the right to exclude from the building between the hours of 6 P.M. and 8 A.M. and at all hours on Sundays, and holidays all persons who do not present a pass to the building signed by Owner. Owner will furnish passes to persons for whom any Tenant requests same in writing. Each Tenant shall be responsible for all persons for whom he requests such pass and shall be liable to Owner for all acts of such person.

9. Owner shall have the right to prohibit any advertising by any Tenant which, in Owner's opinion, tends to impair the reputation of Owner or its desirability as a building for stores or offices, and upon written notice from Owner, Tenant shall refrain from or discontinue such advertising.

10. Tenant shall not bring or permit to be brought or kept in or on the demised premises, any inflammable, combustible or explosive fluid, material, chemical or substance, or cause or permit any odors of cooking or other processes, or any unusual or other objectionable odors to permeate in or emanate from the demised premises.

11. Tenant shall not place a load on any floor of the demised premises exceeding the floor load per square foot area which it was designed to carry and which is allowed by law. Owner reserves the right to prescribe the weight and position of all safes, business machines and mechanical equipment. Such installations shall be placed and maintained by Tenant at Tenant's expense in setting sufficient in Owner's judgement to absorb and prevent vibration, noise and annoyance.

GUARANTY

The undersigned Guarantor guarantees to Owner, Owner's successors and assigns, the full performance and observance of all the agreements to be performed and observed by Tenant in the attached Lease, including the "Rules and Regulations" as therein provided, without requiring any notice to Guarantor of nonpayment or, nonperformance, or proof, or notice of demand, to hold the undersigned responsible under this guaranty, all of which the undersigned hereby expressly waives and expressly agrees that the legality of this agreement and the agreements of the Guarantor under this agreement shall not be ended, or changed by reason of the claims to Owner against Tenant of any of the rights or remedies given to Owner as agreed in the attached Lease. The Guarantor further agrees that this guaranty shall remain and

continue in full force and effect as to any renewal, change or extension of the Lease. As a further inducement to Owner to make the Lease Owner and Guarantor agree that in any action or proceeding brought by either Owner or the Guarantor against the other on any matters concerning the Lease or of this guaranty that Owner and the undersigned shall and do waive trial by jury.

Article 40. ELECTRICITY**SECTION I - GENERAL**

Supplementing Article 12, electric current will be supplied to the demised premises at the commencement of the term of this lease in accordance with the provisions of this Section and the Section of this Article (Section II, "rent inclusion"; Section III, "submetering"; or Section IV, "direct electric") which has been identified as the "Electrical Section" in Article 41. As used herein "Laws" shall mean and include all laws, rules, regulations, ordinances, codes and orders of all governmental and quasi-governmental authorities, agencies and departments, and the directions, provisions and requirements thereof and of utility companies, labor agreements and insurance boards, policies, carriers, underwriters and rating bureaus. All notices, requests, demands and consents permitted or required hereunder shall be in writing. All amounts due to Landlord from Tenant hereunder shall be due and payable as additional rent, including, but not limited to, amounts Tenant is required to pay to others if the same are paid for by Landlord or become a lien or claim against the demised premises, the Building or Landlord. Tenant shall use the electric current supplied to the demised premises for lighting, air conditioning and the operation of other machinery, equipment and appliances in the demised premises at term commencement that utilize electric current of the type, and to the extent normally used in connection with the operation of Tenant's business ("Business") insofar as Landlord's facilities are not burdened thereby and applicable Laws permit. Tenant's use of electric current shall never exceed the capacity of electrical conductors and equipment in, or otherwise serving the demised premises or existing building feeders, risers or wires. Tenant's use of electric current in the demised premises shall comply with all applicable Laws. Tenant shall not use any equipment which, in Landlord's sole judgment, will interfere with the business operations of Landlord or other tenants of the Building. Tenant shall not make any additions or other alterations to electrical facilities or add equipment without the prior written consent of Landlord in each instance. If, in Landlord's sole judgment, Tenant's electrical requirements necessitate additions or other alterations to electrical facilities, the items will be provided, maintained, repaired, and replaced as necessary by Landlord (or, at Landlord's option, by Tenant) at the sole expense of Tenant. If, in Landlord's sole judgment, the same are necessary and will not cause damage or injury to the Building or the demised premises, cause or create a dangerous or hazardous condition, entail excessive or unreasonable alterations, repairs or expenses or interfere with, or disturb Landlord, other tenants or occupants of the Building. Anything contained in this lease to the contrary notwithstanding, with respect to any portion or all of any electrical services and installations permitted or required to be furnished or maintained by Tenant at Tenant's own expense, Landlord, at its option, may elect to furnish or maintain the same at Tenant's expense. Tenant shall use only rigid conduit within the demised premises. Landlord shall not be liable in any way to Tenant for any failure or defect in the supply or character of electric current furnished to the demised premises, for any requirement, act or omission of the Utility Company, or for any loss, damage or expense which Tenant may sustain or incur if either the quantity or character of electric service is changed or is no longer available or suitable for Tenant's requirements. Tenant acknowledges having had an opportunity to inspect, and represents that the existing electrical capacity is adequate for its use. Tenant shall purchase from Landlord and Landlord shall install, at Tenant's expense, all lighting tubes, lamps, bulbs and ballasts used in the demised premises. At any time, and from time to time, Landlord may elect, on at least thirty (30) days prior notice ("Electricity Notice"), to change the method by which Tenant will receive its electricity service in the demised premises. Landlord's Electricity Notice will specify the alternative form of service (i.e., "rent inclusion" under Section II, "submetering" under Section III or "direct electric" under Section IV) and the date on which the then current form of service will end and the alternative form of service will begin, subject only to delays beyond the reasonable control of the parties and the requirements of any Laws. This Section I ("General") will continue to apply along with whichever other Section of this Article is in effect. If Landlord elects to cease furnishing electricity to Tenant (requiring Tenant to obtain electric service directly from the Utility Company) or changes the manner in which electric service is furnished by Landlord (requiring submetering instead of rent inclusion or vice versa) neither such discontinuance, nor such change shall be deemed a lessening or diminution of service within the meaning of any Laws and this lease shall otherwise remain in full force and effect in accordance with its terms. If any tax is imposed in connection with the Landlord's sale or distribution of electric current to Tenant by any federal, state or local government subdivision or authority, Tenant shall pay Landlord the Tenant's Percentage of such tax, to the extent permitted by Laws.

SECTION II - RENT INCLUSION

1. As an incident to this Lease and as part of the Annual Base Rent payable hereunder, Landlord shall furnish to Tenant electric current on a so-called "rent inclusion" basis. The portion of the Annual Base Rent attributable to electric current so furnished to Tenant, constituting the Annual Base Rent applicable during the term of this lease less the "Net Annual Base Rent" (referred to in paragraphs (4) and (5) of this Section) is hereinafter referred to as the "Base Electricity Charge". "Electric Rate" means the service classification pursuant to which Landlord purchases electricity from the Utility Company for the Building, taking into consideration all surcharges and charges for demand, energy, fuel adjustments, and "time of day", and taxes and other sums payable in connection therewith. "Base Electric Date" means September 23, 1983. If Landlord grants its consent to additions, or other alterations to existing electrical facilities, and/or Tenant's use of other, or additional equipment at Tenant's expense as provided above, Landlord may require an increase in the Base Electricity Charge (and the Annual Base Rent) payable hereunder to reflect the value of the additional electric current to be made available to Tenant for its equipment. If Landlord and Tenant do not agree in writing on the amount of such increase, but Landlord consents to such changes in electrical facilities or to the use of other or additional equipment, nevertheless, the amount of the increase shall be determined by the "Consultant" performing a survey as provided in the next paragraph.

2. Landlord may, at any time, retain a reputable independent electrical engineer or consultant, selected by Landlord and paid equally by both parties (the "Consultant"), to make a survey of the electrical wiring and power load of Tenant and determine the value of the electric service provided to Tenant (the "Survey"). The Electric Rate shall be applied to Tenant's usage of electricity (load and demand) to determine what the cost (i.e., value to Tenant) would be if Tenant had purchased its electricity from the Utility Company at the Electric Rate of Landlord for the Building. If the Base Electricity Charge then in effect hereunder is below such value as determined by such Consultant, the Base Electricity Charge (and the Annual Base Rent) shall be increased to fully reflect such value. The findings of such Consultant, in all such instances, shall be final, binding and conclusive upon the parties. Any increase in the amount of the Base Electricity Charge from such a survey shall be effective as of (A) the date the Survey was performed, or (B) if the survey is conducted during the first six (6) months of the term, the commencement of the term of this lease. The retroactive increase in the Base Electricity Charge shall be due within ten (10) days after it is first billed. However, if and to the extent that an increase in the Base Electricity Charge determined by the Consultant is due to changes in equipment, electrical facilities or the Electric Rate as of a particular date, the Consultant shall specify the effective date for the increase in the Base Electricity Charge. Tenant shall cooperate with the Consultant and shall promptly provide copies of records, purchase orders and the like as the Consultant, in his or her sole and absolute discretion shall request to aid in such determination.

3. If, after the Base Electric Date, the Electric Rate is increased (due to changes in, or replacement of the Utility Company's rate schedule for the Building or any increase in, or additions to any of the charges, surcharges or taxes for supplying electric current to the Building), the Base Electricity Charge shall be increased by the percentage of any increase in Landlord's cost for purchasing electricity for the Building. If Tenant disputes the amount of the increase in writing sent to Landlord within twenty (20) days after Landlord bills Tenant in writing for the increased amount, the amount of such percentage increase shall be determined by the Consultant chosen by Landlord and paid equally by Landlord and Tenant. The Consultant shall take Landlord's average demand and consumption (as reflected in Landlord's electric bills from the Utility Company) for the twelve (12) month period that immediately precedes the date the Electric Rate changed; that average demand and consumption shall be applied to the Electric Rate in effect during such twelve (12) month period to derive an agreed cost before the change in the Electric Rate; the same average demand and consumption shall be applied to the new Electric Rate to derive an agreed cost after the change in the Electric Rate; the percentage of the increase to the annual Base Electricity Charge then in effect shall be determined by using a fraction whose numerator is the difference between the aforesaid agreed costs after and before the change and whose denominator is the agreed cost before the change. Nothing contained herein shall be deemed to be final, binding and conclusive. The Consultant's determination shall be provided for a reduction in the Base Electricity Charge unless a Landlord gives its Electricity Notice to cease providing electric service on a rent inclusion basis, in which case paragraphs (4) and (5) of this Section will apply.

4. If Landlord exercises its right to cease furnishing electric service on a "rent inclusion" basis, this lease shall continue in full force and effect and shall not be affected thereby, except that, from and after the effective date of such discontinuance, Landlord shall not be obligated to furnish electric current to Tenant (except as provided in the next Section relating to submetering). If Landlord elects to furnish submetering service and the Annual Base Rent payable hereunder from and after the date on which rent inclusion ends, shall be reduced to an applicable Net Annual Base Rent per year. Anything contained in this lease to the contrary notwithstanding, if this lease (or any subsequent written agreement between the parties amending this lease) provides for any increase in the Annual Base Rent other than due to an increase in the Base Electricity Charge, the Net Annual Base Rent shall be increased by the amount of each and every such increase so that any reduction in the Annual Base Rent due to the termination of electric service on a rent inclusion basis as described herein shall not exceed the annual Base Electricity Charge immediately prior to the date on which such termination becomes effective.

5. If the Electrical Section identified in Article 41 is this Section II: rent inclusion was the initial form of electric service provided for in this lease; the Net Annual Base Rent was specified in Article 41; and the initial Base Electricity Charge was included in the Annual Base Rent at the inception of the term. If Article 41 does not specify the Net Annual Base Rent, the Landlord's Electricity Notice containing its election to provide electricity on a rent inclusion basis shall specify the initial Base Electricity Charge; and the Net Annual Base Rent shall be the Annual Base Rent as previously set forth in this lease. If Tenant disputes the initial Base Electricity Charge specified in Landlord's Electricity Notice, Landlord shall have such initial Base Electricity Charge determined by the Consultant under paragraph (2) of this Section.

SECTION III - SUBMETERING

Landlord shall furnish electric current for Tenant's use in the demised premises on a so-called "submetering" basis. Tenant's consumption of electrical current in the demised premises shall be measured by submeters installed and hooked up by Landlord. All work relating to such submeters, including, but not limited to, the furnishing, installation, repair, maintenance, replacement and recalibration thereof, shall be performed by Landlord at Tenant's expense. Tenant shall purchase such electric current from Landlord or Landlord's designated agent at charges, terms and rates set, from time to time during the Term, by Landlord, but not more than those specified in the service classification in effect on January 1, 1970 pursuant to which Landlord then purchased electric current from the Utility Company, as revised by Landlord in order to maintain the return to Landlord and, from time to time thereafter during the Term, whenever any governmental authority having jurisdiction approves changes in applicable service classifications, terms, rates or charges (including, without limitation, by virtue of fuel or other adjustments). Where more than one meter measures Tenant's consumption of electricity, the service rendered through each meter may be computed and billed separately in accordance with the provisions hereof. Bills therefor shall be rendered at such times as Landlord may elect and shall be payable on demand. In the event that such bills are not paid within thirty (30) days after the same are rendered, Landlord may, without further notice, discontinue the service of electric current to the demised premises without releasing Tenant from any liability under this Lease and without Landlord or Landlord's agent incurring any liability for any damage or loss sustained by Tenant by such discontinuance of service.

SECTION IV - DIRECT ELECTRIC

Tenant shall arrange to obtain all electric current for the demised premises directly from the Utility Company. Tenant shall pay all bills rendered by the Utility Company for such electric current. Such electric current may be provided to Tenant by means of the then existing building feeders, risers and other installations, to the extent that the same are available, suitable and safe for such purposes. All meters and additional panel boards, switches, feeders, risers, wiring and other conductors and equipment which are necessary to obtain electric current directly from the Utility Company shall be furnished, installed, maintained and repaired by Tenant, at its expense subject to Landlord's prior written consent. If more than ninety percent (90%) of the occupied space in the Building receives electric service directly from the Utility Company, Tenant shall pay Landlord the Tenant's Percentage of all costs incurred by Landlord to provide electricity for the Building within ten (10) days after being billed. A copy of Landlord's electricity bills for the Building from the Utility Company shall be sufficient evidence of Landlord's costs therefor. Tenant shall pay Landlord the Tenant's Percentage of Landlord's costs to increase the electrical capacity of the Building, or, if Tenant will have access to a percentage of such additional capacity greater than the Tenant's Percentage set forth in Article 41, Tenant shall pay Landlord the percentage that reflects Tenant's proportionate share. Such payments shall be made within ten (10) days after being billed.

42. COMMENCEMENT AND EXPIRATION OF TERM

The term of this lease shall commence on **November 15, 2013** (Commencement Date") on which this lease is signed and delivered by Landlord and Tenant. As used herein, Lease Year" means successive periods of twelve (12) calendar months, with the first (1st) Lease Year to commence on the first day of the month which follows the Commencement Date, except if the Commencement Date is the first day of the month, in which event the first (1st) Lease Year shall begin on the Commencement Date and each Lease Year thereafter shall begin on an anniversary of the Commencement Date. The Term shall expire, unless sooner terminated as herein provided, on the date **November 14, 2023** (the "Expiration Date") that is the last day of the tenth (10th) Lease Year. Promptly after the Commencement Date and the Expiration Date are known, Tenant and Landlord shall execute a memorandum confirming the same, but the failure or refusal of either or both of them to do so shall not change the Commencement Date or the Expiration Date.

43. RIDER PROVISIONS PREVAIL

If and to the extent that any of the provisions of this Rider conflict or are otherwise inconsistent with any of the preceding printed provisions of this lease, or of the Rules and Regulations attached to this lease, whether or not such inconsistency is expressly noted in this Rider, the provisions of this Rider shall prevail, and in case of inconsistency with said Rules and Regulations, shall be deemed a waiver of such Rules and Regulations with respect to Tenant to the extent of such inconsistency.

44. ADDITIONAL RENT AND MISCELLANEOUS DEFINITIONS

a. All payments other than Fixed Rent required to be made by Tenant pursuant to this lease (including, but not limited to, escalation charges, and any and all damages, interest, costs, fees and expenses caused by Tenant's default) shall be deemed additional rent and, in the event of any nonpayment thereof, Owner shall have all rights and remedies provided for herein and by law for nonpayment of Fixed Rent in addition to whatever other remedies may be available to Owner.

b. Unless expressly provided otherwise in this lease, the amount shown as due to Owner (or Owner's agent) in all bills, invoices and statements to Tenant shall be due and payable by Tenant upon receipt without further demand. Any delay or failure of Owner or its agent to prepare and deliver any bill, statement or invoice shall not constitute a waiver of the right to collect any payment that may have become due during the term of this lease, including, without limitation, retroactive payments for any and all amounts unbilled. Tenant shall perform such acts, execute such documents and furnish such information as Owner may reasonably require from time to time to substantiate Tenant's compliance with the provisions of this lease on demand, and such obligations shall survive the expiration or sooner termination of this lease.

c. All payments of Fixed Rent and additional rent pursuant to this lease shall be made by Tenant with checks drawn upon a New York City bank that is a member of the New York Clearing House Association or any successor thereto. If Owner receives from Tenant any payment less than the full amount of the Fixed Rent and additional rent then due and owing, Tenant hereby waives its right, if any, to designate the items to which such payment shall be applied and agrees that Owner, in its sole discretion, may apply such payment in whole or in part to any Fixed Rent, any additional rent or to any combination thereof then due and payable hereunder.

d. If Owner prevails on any cause of action or defense it asserts in any action or proceeding between Owner and Tenant, Tenant shall pay the attorneys' fees, costs and disbursements of Owner for such action or proceeding on demand. If a default of Tenant causes Owner to prosecute or defend an action or proceeding, Tenant shall pay the attorneys' fees, costs and disbursements of Owner for such action or proceeding on demand. If Owner suffers, pays or incurs any damages, losses, fees or expenses (including, without limitation, reasonable attorneys' fees and disbursements) due to a default, act, omission or request of Tenant, Tenant shall pay the total amount thereof to Owner on demand.

e. If all rent is not paid in full within ten (10) days after it is due and payable hereunder, Tenant shall pay Owner interest on late payments that shall accrue daily from the date payment was due to the date Owner collects payment in full. The rate of interest on late payments shall be equal to an annual rate which shall be four percentage points higher than the highest rate of interest then required to be paid on judgments for sums of money recovered in actions in the Supreme Court of the State of New York, but in no event higher than the highest rate of interest which at such time shall be permitted under the laws of the State of New York. However, if the collection of interest at the rate specified herein would be usurious or otherwise unenforceable, interest on late payments shall accrue at the highest enforceable rate. Any rent payments more than ten (10) days past due shall also require Tenant to pay an administrative fee of \$250.00 as additional rent.

f. Unless Owner shall otherwise expressly agree in writing, acceptance of rent from anyone other than Tenant named herein shall not relieve Tenant of any of its obligations under this lease (including, but not limited to, the obligation to pay Fixed Rent and additional rent). Acceptance of rent from anyone other than Tenant shall not be deemed to constitute a consent to assignment of this lease or a subletting or other occupancy of the demised premises (in whole or in part) by anyone other than Tenant or a waiver of any of Owner's rights or Tenant's obligations. A transfer of control, or a transfer of an interest equal to, or greater than a fifty percent (50%) beneficial interest in Tenant, whether such transfer occurs at one time, or in a series of transactions, and whether of stock, partnership interest or otherwise, by any party in interest shall be deemed an assignment of this lease requiring Owner's prior written consent.

g. References in this lease to "rent", "Rent", "rents", "Rents", "rental", "Rental", "rentals" and "Rentals" shall mean and include Fixed Rent and additional rent. The Fixed Rent is the minimum rental due and payable without prior demand, offset or deduction. No decrease in any additional rent for any period shall yield an offset or deduction in any other rental or for any other period. References in to Tenant being "in default" and/or "Tenant's breach" or "default" shall mean and include each and every default, breach, misfeasance, nonfeasance, nonpayment, or any other failure of Tenant to perform any of its obligations hereunder. If Owner gives notice of default and Tenant seeks declaratory relief and Tenant's time to cure is extended pending the outcome of such declaratory judgment action, Tenant shall be deemed to be "in default" under this lease during the pendency of such action for the purposes of those rights that are exercisable by Tenant only if it is not "in default". All of Tenant's obligations to pay rent, to indemnify Owner and to obtain insurance shall survive the expiration of the term or sooner termination of this lease.

h. Owner's managing agent may give notices, demands, invoices, statements and/or bills to Tenant in Owner's behalf; any such notice, statement, invoice, demand or bill shall be deemed to have been given by Owner. Owner's current managing agent is Thurcon Properties, Ltd., Suite ~~GLC, 254 Park Avenue South~~, New York, NY 10010, until further notice advising Tenant of a change. Tenant agrees that all of the representations, warranties, covenants, waivers and indemnities made in this lease by Tenant for the benefit of Owner shall also be deemed to inure to and be for the benefit of Owner's agent, and its and/or Owner's, partners, shareholders, directors, officers, employees, agents, attorneys and independent contractors. References to "Owner's agent" shall include, but not be limited to, Owner's managing agent.

i. "Landlord" and "Owner" shall mean the party that is the lessor under this lease. The term "Impositions" shall mean any taxes, levy, imposition or charge which now or hereafter is assessed, imposed or a lien upon the demised premises or the realty of which they are part pursuant to law, order or regulation made or issued by authorities having jurisdiction.

j. It shall be a default under this lease if Tenant (or any affiliate, subsidiary, successor, shareholder, partner, joint-venturer, parent, guarantor, or any other entity or person legally or contractually related to Tenant) shall default under any other lease with Landlord for space in the building of which the demised premises forms a part.

k. The provisions of this Article shall supplement (not limit) other provisions of this lease pertaining to the same matters as this Article and related matters.

45. TAXES ON TENANT'S PROPERTY OR IMPROVEMENTS

A. The term "Impositions" shall mean any taxes, levy, imposition or charge which now or hereafter is assessed, imposed or a lien upon the demised premises or the realty of which they are part pursuant to law, order or regulation made or issued by authorities having jurisdiction. Tenant shall pay to Owner together with each monthly installment of Fixed Rent, an additional amount sufficient to enable Owner to pay, when due, Tenant's Percentage of any Impositions placed upon the demised premises or the realty of which they are part of in accordance to the terms of this lease. The determination of the amount so payable and of the fractional part thereof to be deposited with the Owner each month so that the aggregate of such deposits shall be sufficient for this purpose, shall be made by the Owner in its reasonable discretion. Such amounts shall be held by the Owner in trust and applied to the payment of the Impositions. If one month prior to the due date of any Impositions the amounts then on deposit with Owner therefore shall be insufficient for the payment of such obligation in full, Tenant within five (5) days after demand, shall deposit the amount of the deficiency with Owner. Owner shall not be required to segregate the amounts deposited but may commingle same with any other funds held by it. Upon notice to Tenant, Owner shall have the right at any time, and from time to time, to elect not to escrow the Impositions pursuant to the provisions of this Rider. Notwithstanding any such election to discontinue escrowing the Impositions, Owner shall have the right at any time, and from time to time, upon giving notice to Tenant, to resume the payment of the Impositions in accordance with the provisions of this Rider.

B. Tenant shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Tenant contained in or on the demised premises or elsewhere. When possible, Tenant shall cause such trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Real Property of Landlord. If any of Tenant's personal property shall be assessed with Landlord's Real property, Tenant shall pay Landlord the taxes attributable to Tenant within ten (10) days after receipt of a written statement setting forth the taxes applicable to Tenant's personal property.

46. ADDITIONAL RENT FOR REAL ESTATE TAXES

As used herein:

1. "Real Property" shall mean the land, buildings, appurtenances and improvements of which the demised premises are a part located at **88 Fulton St aka 33 Gold St New York, NY.**

2. The term "Real Estate Taxes" shall mean 3% (Tenants Proportion) of the total of the increased portion over and above the base years RE taxes of all real property taxes and special or other assessments and/or vault charges levied, assessed or imposed at any time by any governmental authority or against the Real Property, and also any tax or assessment levied, assessed or imposed at any time by any governmental authority in connection with the receipt of income or rents from said Real Property to the extent that same shall be in lieu of all or a

portion of any of the aforesaid taxes or assessments, or additions or increases thereof, upon or against said Real Property and including any Business Improvement District Charges. If, due to a future change in the method of taxation or in the taxing authority, or for any other reason, a franchise, income, transit, profit or other tax or governmental imposition, however designated, shall be levied against Landlord in substitution in whole or in part for the Real Estate Taxes, or in lieu of additions to or increases of said Real Estate Taxes, then such franchise, income, transit, profit or other tax or governmental imposition shall be deemed to be included within the definition of Real Estate Taxes for the purposes hereof. As to special assessments which are payable over a period of time extending beyond the term of this Lease, only a pro rata portion thereof, covering the portion of the term of this Lease unexpired at the time of the imposition of such assessment shall be included in "Real Estate Taxes". If by law, any assessment may be paid in installments, then, for the purposes hereof (a) such assessment shall be deemed to have been payable in the maximum number of installments permitted by law and (b) there shall be included in Real Estate Taxes, for Tax Year in which such installments may be paid, the installments of such assessments so becoming payable during the Tax Year, together with interest payable during such Tax Year. The phrase "Real Estate Taxes payable during the Tax Year" shall mean that amount obtained by multiplying the valuations actually used by the City of New York, of the land and building of the Real Property (whether same be actual or a transitional assessment), for purposes of billing Real Estate Taxes during the Tax Year by the tax rate for each \$100.00 for such valuation.

3. "Tax Year" shall mean each period of twelve (12) months, commencing on the first day of July of each period, in which occurs any part of the term of this lease or such other period of 12 months occurring during the term of this lease as hereafter may be duly adopted as the fiscal year for real estate tax purposes of the City of New York.

4. If the amount of the Real Estate Taxes in any Tax Year exceeds the amount of Real Estate Taxes for the "Base Tax Year" (as defined in Article 41), as finally determined, Tenant covenants and agrees that it shall pay as additional rent for each and every such Tax Year the "Tenant's Percentage" (as defined in Article 41) of such difference (which amount is hereinafter called the "Tax Payment"). Should the lease commence or terminate prior to the expiration of a Tax Year, such Tax Payment for the first or last Tax Year, as the case may be, shall be prorated to, and shall be payable on, or as and when ascertained after, the Commencement Date or the Expiration Date as the case may be. Tenant's obligation to pay such additional rent and Owner's obligation to refund overpayments pursuant to this Article, as the case may be, shall survive the expiration or sooner termination of this lease. If the taxes for any Tax Year subsequent to the Base Tax Year, or an installment thereof, shall be reduced before or after such Taxes or such installment shall be paid, Tenant's Percentage of the amount of Owner's reasonable costs and expenses of obtaining such reduction (but not exceeding the amount of such reduction) shall be added to and be deemed part of the Tax Payment for such Tax Year. Payment of additional rent for any Tax Payment due from Tenant shall be made as and subject to the conditions hereinafter provided in this Article.

5. Owner shall be under no obligation to contest the taxes or the assessed valuation of the Real Property for any Tax Year or to refrain from contesting the same, and may settle any such contest on such terms as Owner in its sole judgment considers proper. If Owner shall receive a refund for any Tax Year which a Tax Payment shall have been made by Tenant pursuant to Paragraph A above, Owner shall repay to Tenant, with reasonable promptness, Tenant's Percentage of such refund after deducting from such refund Tenant's Percentage of the costs and expenses (including experts' and attorneys' fees) of obtaining such refund. If the assessment for the Tax Year shall be changed from the amount originally imposed after Owner shall have rendered a comparative statement (as provided in Paragraph C below) to Tenant with respect to a Tax Year, the amount of the Tax Payment shall be adjusted in accordance with such change and Tenant, on Owner's demand, shall pay any increases in additional rent resulting from such adjustment.

6. At any time during a Tax Year after the Taxes for such Tax Year became known, Owner may (or else with reasonable promptness after the end of each Tax Year, Owner shall) render to Tenant a comparative statement showing the amount of the Taxes for such Tax Year and the Tax Payment, if any, due from Tenant for such Tax Year, indicating thereon in reasonable detail the computation of such Tax Payment. The Tax Payment shown on such comparative statement may, at Owner's option, be payable in full or in such installments (not more frequent than monthly) as Owner may determine. Tenant shall pay the amount of the Tax Payment shown on such comparative statement (or the balance of a proportionate installment thereof, if only an installment is involved) concurrently with the installment of Fixed Annual Rent then or next due, or if such statement shall be rendered at or after the termination of this lease within 30 days after such rendition.

7. Owner's failure during the lease term to prepare and deliver any notice or statement, or Owner's failure to make a demand, shall not in any way cause Owner to forfeit or surrender Owner's rights to collect any additional rent which may have become due under this Article during the term of this lease and Tenant's liability for the amounts due under this Article shall survive the expiration or termination of this lease. Supplementing the foregoing, Tenant's right to a refund under this Article during the term of this lease, shall survive the expiration or termination of this lease for a period not to exceed one year

47. ADDITIONAL ASSIGNMENT AND SUBLETTING PROVISIONS

A. If Tenant shall desire to assign this lease or to sublet the Demised Premises, Tenant shall submit to Owner a written request for Owners consent to such assignment or subletting, which request shall contain or be accompanied by the following information: (i) the name and address of the proposed assignee or sub-tenant; (ii) the terms and conditions of the proposed assignment or subletting; (iii) the nature and character of the business of the proposed assignee or sub-tenant and its purposed use of the Demised Premises; and (iv) banking, financial and other credit information with respect to the proposed assignee or sub-tenant reasonably sufficient to enable Owner to determine the financial responsibility of the proposed assignee or sub-tenant. Owner shall then have the following options, to be exercised by notice ("Exercise Notice") given to Tenant within thirty (30) days after receipt of Tenant's request for consent:

B. Owner shall, in its sole and absolute discretion, consider its consent to the proposed assignment or subletting of the entire Demised Premises for the balance of the term of this lease, provided that Tenant is not then in default under this lease and further provided that the following further conditions shall be fulfilled:

C. "Transaction Expenses", with respect to any assignment or sublease, shall mean the sum of (x) the out-of-pocket brokerage commissions and legal fees paid by Tenant in connection with the negotiation and consummation of the assignment or sublease, (y) the out-of-pocket costs paid by Tenant in order to prepare the Premises (or portion thereof) for the initial occupancy of the assignee or subtenant and (z) any market rent concessions granted to a subtenant or assignee.

1. If Landlord shall consent to any assignment of this Sublease, then, as consideration therefor, Tenant, within thirty (30) days after the effective date of the assignment, shall (a) deliver to Landlord a written statement, certified by an officer of Tenant, setting forth the Assignment Consideration and the Transaction Expenses with respect to such assignment, and (b) pay to Landlord, as Additional Charges, an amount equal to twenty five (25%) percent of the excess of the Assignment Consideration over the Transaction Expenses.

2. If Landlord shall consent to any sublease of all or any portion of the Premises, then, as consideration therefor, Tenant, within thirty (30) days after the close of each calendar year during the term of this Sublease in which such sublease is in effect, shall (a) deliver to Landlord a written statement, certified by an officer of Tenant, setting forth the Sublease Consideration for such calendar year and the Transaction Expenses with

respect to such sublease which have not been applied to offset any Sublease Consideration received in any prior calendar year, and (b) pay to Landlord fifty (50%) percent of the amount by which the Sublease Consideration exceeds such unapplied Transaction Expenses.

3. "Disposition" means an assignment, release or reassignment (in whole or in part) of this lease, a sublease of all or part of the demised premises, or a license, concession or other agreement to permit any or all of the demised premises to be used or occupied by any other party. A sub-sublease, sub-assignment or the cancellation, renewal or other material modification of any Disposition shall be deemed to be a new Disposition. Except if and as provided otherwise in this Article, no Disposition shall be made without Owner's prior written consent. The "Effective Date" of a sublease or assignment means the date on which the sublease term will begin or the assignment will become effective.

4. Every assignment of this lease must provide that the assignee assumes the payment and performance of Tenant's obligations under this lease as if it had executed it as the original Tenant; and that Owner and the assignee may modify this lease in any manner, without notice to the Tenant or Tenant's prior consent, without thereby terminating any assignor's liability under this lease, except that any such modification that, in any way, increases an assignor's liability shall not, to the extent of such increase only, be binding upon the assignor.

5. Every sublease of the demised premises, in whole or in part, shall be subject and subordinate to this lease in all respects and must include the following:

"In the event of a termination of any underlying lease, the subtenant hereunder shall, at the option of the lessor under any such lease ('Underlying Lessor'), attorn to and recognize the Underlying Lessor as sublandlord hereunder and shall, promptly upon the Underlying Lessor's request, execute and deliver all instruments necessary or appropriate to confirm such attornment and recognition. Notwithstanding such attornment and recognition, the Underlying Lessor shall not (i) be liable for any previous act or omission of the sublandlord under this sublease, (ii) be subject to any offset, not expressly provided for in this sublease, which shall have accrued to the subtenant hereunder against said sublandlord, (iii) be bound by any modification of this sublease or by any prepayment of more than one month's rent, unless such modification or prepayment shall have been previously approved in writing by the Underlying Lessor, or (iv) be obligated to afford rights or provide services in excess of or different than those required to be furnished to the sublandlord as the tenant under the Underlying Lease for the space to which this sublease relates. The subtenant hereunder hereby waives all rights under any present or future law to elect, by reason of the termination of such Underlying Lease, to terminate this sublease or surrender possession of the premises demised hereby. This sublease may not be assigned or the premises demised hereunder further sublet, in whole or in part, without the prior written consent of the Underlying Lessor."

6. Tenant cannot seek Owner's consent to any Disposition unless Tenant is not in default and Tenant gives written notice to Owner at least fifteen (15) days, but not more than one hundred twenty (120) days prior to the Effective Date requesting Owner's prior written consent, and such notice is delivered to Owner together with executed duplicate originals of the assignment or sublease and any and all other agreements that will have been made in connection with the Disposition, and the agreements have been signed and delivered subject to receipt of Owner's prior written consent and, Tenant furnishes Owner with such other such other documents and information as Owner may reasonably require to substantiate compliance with the provisions of this lease, to evaluate the financial strength and suitability of the other party to the Disposition, and be fully informed of all relevant facts when it decides whether or not to issue its consent to the Disposition.

7. The foregoing notwithstanding, no Disposition shall be made with any of the following: a prospective tenant (or its designee) who is discussing with Owner (or Owner's agent) its need for space in the Building, or who has

so negotiated within the previous six (6) months; a current tenant, subtenant or occupant of space in the Building or the subsidiary, affiliate, parent, or successor thereof, or of any such successor or related entity; any party not financially responsible or unable to adequately evidence financial responsibility to Owner's reasonable satisfaction; any party that will be engaged in a business or use that is not expressly permitted under this lease, that will require services from Owner, or place demands on facilities in the Building of a different nature or to a greater extent than Owner was required to afford before under this lease, that is likely to adversely affect (or increase burdens on) any operation of Owner or any tenant or occupant of the Building, violate a restrictive covenant of Owner, change the use of Tenant, contravene any provision of a mortgage, net lease or any other agreement of Owner or breach this lease.

8. The foregoing notwithstanding, if a Disposition requires subdividing the demised premises (e.g., construction of new demising walls to create a separate independently serviceable unit of space) or other Tenant Changes, such Disposition and the alterations described therein shall require Owner's prior written consent and approval.

9. Except in bulk sale of business, neither Owner's consent to any Disposition, nor any Disposition made at any time shall release Tenant from its liability for the performance of Tenant's obligations hereunder before, during or after any such Disposition, or constitute Owner's consent required for any other, or further Disposition, or Owner's approval of any alterations described therein, or in any other or further Disposition. Tenant Changes shall require Owner's separate prior written approval, which will not be unreasonably withheld, as provided elsewhere in this lease. Owner may collect payments from an assignee, subtenant or occupant and apply the net rent received to Tenant's obligations without accepting the payor as a direct tenant of Owner, and without having such acts constitute Owner's consent to an assignment, subletting or other Disposition, or a release of Tenant.

10. Tenant shall pay to Owner, promptly upon demand therefor, all costs and expenses (including, but not limited to, reasonable attorneys' fees and disbursements) incurred by Owner in connection with any Disposition whether or not Owner consents thereto, which shall not be in excess of \$2,000.00 in each instance of assignment.

11. If Tenant's interest in this lease is assigned, whether or not in violation of the provisions of this lease, Owner may: collect rent from the assignee or; if the demised premises or any part thereof are subject to, or occupied by, or used by, any person other than Tenant, whether or not in violation of this lease, Owner, after default by Tenant under this lease and expiration and Tenant's time, if any, to cure such default, may collect rent from the sub-tenant, user or occupant. In either case, Owner shall apply the net amount collected to the rents reserved in this lease, but neither any such assignment, subletting, occupancy, non use, nor any such collection or application shall be deemed a waiver of any terms, covenants or conditions of this lease or the acceptance by Owner of such assignee, sub-tenant, occupant or user as a Tenant, or the consent by Owner to any assignment, subletting, occupancy or use, or the listing of any name other than Tenant's (or Tenant's "doing business as" name) on any door of the demised premises, or on any directory, or on any elevator in the building, or otherwise, shall not operate to vest in the party so named, any right or interest in this lease or in the demised premises, or be deemed to constitute, or serve as a substitute, for any prior written consent of Owner required under this Article, and it is understood that any such listing shall constitute a privilege extended by Owner which shall be revocable at Owner's will by a notice to Tenant. Tenant agrees to pay to Owner any counsel fees incurred by Owner in connection with any proposed subletting of the demised premises or any part thereof. Neither any assignment of Tenant's interest in this lease nor any subletting, occupancy or use of the demised premises or any part thereof by any person other than Tenant, nor any collection of rent by Owner from any person other than Tenant as provided in this Paragraph, nor any application of any such rent as aforementioned

as provided in this Paragraph, shall in any circumstances relieve Tenant of Tenant's obligations fully to observe and perform the terms, covenants and conditions of this lease on Tenant's part to be observed and performed.

12. Tenant shall not advertise the demised premises for any disposition without Owner's prior written consent and Tenant shall not permit any advertisement or listing to reveal the rental, nor shall any disposition provide for an annual rental less than the annual rent then being paid by Tenant for the balance of the Term. Tenant shall use the broker designated by Owner as the exclusive agent of Tenant with the exclusive right to effect any disposition.

48. END OF TERM

Tenant acknowledges that possession of the demised premises must be surrendered to Owner at the expiration or sooner termination of the term of this lease. Tenant agrees to indemnify and save Owner harmless against all costs, claims, loss or liability resulting from delay by Tenant in so surrendering the demised premises, including, without limitation, any claims made by any succeeding tenant founded on such delay. The parties recognize and agree that the damage to Owner resulting from any failure by Tenant to timely surrender possession of the demised premises as aforesaid will be extremely substantial, will exceed the amount of the monthly rent and additional rent therefore payable hereunder, and will be impossible to accurately measure. Tenant therefore agrees that if possession of the demised premises is not surrendered to Owner within 24 hours after the date of the expiration or sooner termination of the term of this lease, then Tenant shall pay to Owner as the reasonable value of use and occupancy for each month and for each portion of any month during which Tenant holds over in the demised premises after expiration or sooner termination of the term of this lease, a sum equal to two (2) times the aggregate of the annual Fixed Rent and additional rent which was payable under this lease during the last month of the term hereof. Nothing herein contained shall be deemed to permit Tenant to retain possession of the demised premises after the expiration or sooner termination of the Term. In addition, Tenant shall be liable to Owner for any and all consequential, compensatory and special damages of Owner arising from or relating to any holding over by Tenant after expiration or sooner termination of the Term. The aforesaid provisions of this Article shall survive the expiration or sooner termination of the term of this lease.

49. UTILITIES

Supplementing the provisions of Article 12 hereof, Tenant, at its own cost and expense, shall arrange for both the transmission to the Demised Premises by the utility company servicing the building, of all water, gas and electricity required by Tenant and the installation of the meters measuring same. Tenant shall pay for all such water, gas and electricity consumed, as shown on such meters. Tenant shall keep all such meters in good order and repair during the term hereof. The costs of such meters and service shall be paid by Tenant directly to the public utility.

A. As additional rent, Tenant agrees to pay promptly, as and when the same become due and payable, all water rents, rates and charges, all sewer rents and all charges for electricity, gas, heat, steam, hot, cold and/or chilled water, air conditioning, ventilating, lighting systems, and other utilities supplied the Demised Premises, whether prior or during the Term, or subsequent thereto if relating to Tenant's use and/or occupancy of the Demised Premises. If any such utilities are not separately metered or assessed, Tenant agrees to pay Landlord, as additional rent, upon submission of a statement for same, the charges for such utilities as determined from time to time by an independent electrical/utility consultant selected by Landlord and paid for by Tenant, in addition to Tenant's payments of all separately metered utility charges, which consultant shall determine on the basis of one hundred twenty five percent of the cost determined under the utility rate schedule(s) (including all surcharges, demand charges, seasonal rate adjustments, taxes and related charges) used for the supply of the utility, at Landlord's option, either (1) to Landlord for the entire Building, as if Landlord were to purchase the

same solely for the demised premises or (2) to Tenant for the demised premises as if Tenant were to purchase solely for the demised premises. Any such utility service supplied by Landlord to the Demised Premises shall be deemed to have been supplied by Landlord as an incidence of the tenancy created by this lease.

B. Cold Water. Landlord shall furnish to the Premises domestic cold water to a point of connection designated by Landlord, which point of connection shall be within or about the Premises. Tenant shall pay monthly to Landlord, as Additional rent hereunder, the amount of Tenant's domestic water usage for the Premises for such month as shown on a submeter with respect to the same, multiplied by the rate that Landlord may, from time to time, charge for furnishing domestic water. Landlord agrees that the rates charged to Tenant will not exceed one hundred twenty five percent (100%) of Landlord's costs of furnishing such services. Tenant, at its sole expense, shall be responsible for distributing water from the aforesaid point of connection.. For any interval during which a water meter is not completely installed, calibrated and operational for all of Tenant's water consumption, Tenant shall pay Landlord, as additional rent, a monthly amount equal to the product of the Agreed Factor times twenty cents (\$0.20), subject to a five percent (5%) increase per annum in each successive Lease Year.

C. Hot Water. In addition to subparagraph B of this article, if Landlord shall supply hot water heated to approximately 125 degrees Farenheight to Tenant, Landlord shall do so for Tenant's reasonable use at a point designated by Landlord on or in proximity to the perimeter of the demised premises subject to Tenant's payment for the same as additional rent and Tenant's providing the connections for distribution of the same into the demised premises from Landlord's pipe system. Tenant shall pay Landlord, as additional rent, a monthly amount equal to the product of the "Agreed Factor" times twenty cents (\$0.20) if there is no hot water meter (or, if there is a hot water meter, \$0.50 per 100 gallons of hot water usage) as the agreed initial rate for the supply of hot water to the demised premises subject to a five percent (5%) increase per annum in each successive Lease Year. Tenant may install at its own expense a hot heater and not be bound by this provision.

D. Limitations. Tenant, at its cost, shall maintain the wires, conduits, fixtures, pipes, valves, ducts and other plumbing connections and other installations which service the Premises. Any utility service shall not exceed the Building's capacity therefor. Tenant shall install and maintain, at Tenant's cost, any meters or submeters. Such meters and other service equipment furnished and installed by Tenant shall, upon installation thereof, become and remain the property of Landlord. In the event that Tenant shall be in default pursuant to the terms of this lease, including specifically the failure to pay for any utilities in accordance with this Article, Landlord may, at its option and in addition to all other rights granted Landlord pursuant to this lease, discontinue the supply and/or service of any or all utilities supplied to Tenant hereunder following ten (10) days notice to Tenant thereof. Tenant's use of any and all utility systems of the Building shall not exceed the capacity of those systems to supply the demised premises and if the nature or capacity of existing utility systems of the Building must be altered or expanded to accommodate Tenant's use in the demised premises, any consent of Landlord thereto shall be conditioned upon Tenant paying Landlord for Landlord to provide, repair, operate, maintain and replace the same from time to time, as additional rent.

E. Interruptions of Service. Landlord shall incur no liability for interruption of the above services regardless of duration, cause or result except to the extent that such interruption shall result from Landlord's negligence or willful misconduct, and, in any event, Landlord shall have no liability for consequential damages.

F. Other Utilities. Tenant shall be solely responsible and shall pay all charges for all utilities furnished to the Premises (in addition to the services to be provided by Landlord under this Article), including, without limitation, telephone, alarm, guard or other security service. The preceding sentence shall not be deemed to constitute Landlord's consent to any such services or the method of furnishing the same. Landlord may, but shall have no obligation to, provide security protection in the Building.

The foregoing notwithstanding, if there is no Exhibit "B" attached hereto, or if it is blank, Owner shall not be performing any "Landlord's Work".

In no event shall Landlord be required to consent to any Tenant Changes that would affect the structure of the Building, the exterior thereof, any part of the Building outside of the demised premises or the mechanical, electrical, heating, ventilation, air conditioning, sanitary, plumbing or other service systems and facilities (including elevators) of the Building. Tenant Changes shall be performed only by contractors designated or approved by Landlord in accordance with plans, drawings and specifications prepared by Tenant at its own expense and submitted to, and approved in writing by Landlord. In connection with Landlord's review, modification, approval, supervision and/or coordination of Tenant's Changes, Tenant shall, promptly upon demand, reimburse Landlord for any reasonable out-of-pocket fees, expenses and other charges incurred by Landlord or its agent in connection with the review, modification and/or approval of such plans and specifications by Landlord and other professional consultants of Landlord plus a fee of seven percent (7%) percent of the cost of each such Tenant Change. 2. Nothing in this lease is intended to constitute a consent by Landlord to the subjection of Landlord's or Tenant's interest in the Building to any lien or claim by any person that performs and/or supplies any work, labor, material, service or equipment to Tenant for any Tenant Change. Landlord hereby notifies all such persons of such intent and each such person agrees that by performing any Tenant Changes for Tenant it accepts that Landlord has not granted such consent and that such person shall not have a right to file any lien or claim against such interest of Landlord or Tenant in the Building or land upon which it is located. All materials and equipment to be incorporated in the demised premises as a result of all Tenant Changes shall be new and first quality; no such materials or equipment shall be subject to any lien, encumbrance, chattel mortgage, title retention or security agreement. In the event of any such interference or conflict, Tenant, upon demand of Landlord, shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Building immediately. Nothing contained in this lease and no consent or approval which may be issued by Landlord at any time with respect to Tenant's Changes or otherwise shall constitute any express or implied representation by Landlord that the demised premises or the Building (with or without any Tenant Change) will be suitable, feasible or lawful for any general or specific or requirement of Tenant. Tenant shall, at its sole cost and expense, and in accordance with provisions of this lease, make such other alterations, improvements and decorations in the demised premises as Tenant may consider necessary or desirable to prepare the same for Tenant's occupancy during the term of Tenant's lease.

3. In no event shall Owner be required to consent to any Tenant Change which would physically affect any part of the building outside the demised premises or would adversely affect the proper functioning of the mechanical, electrical, sanitary or other service system of the building. At the time Tenant requests Owner's written consent to any Tenant's Changes, Tenant shall deliver to Owner detailed plans and specifications thereof. - f. If the performance of the Tenant's Change shall interfere with the comfort and/or convenience of the other Tenants in the building or shall cause damage to or otherwise interfere with the occupancy of adjacent buildings, Tenant shall, upon Owner's demand, remedy or remove the condition or conditions complained of. Tenant further covenants and agrees to indemnify and hold Owner harmless from and against any and all claims, losses, damages, costs, expenses, suits and demands whatsoever made or asserted against Owner by reason of the foregoing.

52. TENANT'S WORK AND INSTALLATION

A. Tenant covenants and agrees that all materials, work, labor, fixtures and installations required for completion of the demised premises in accordance with Tenant's business requirements, shall be performed and provided by Tenant, at Tenant's sole cost and expense. All such work and installations of Tenant shall be made in a good workmanlike manner and shall comply with all rules and regulations of governmental authorities having jurisdiction therein and Tenant shall, at its sole cost and expense, procure all necessary and required permits, approvals and licenses in connection with Tenant's work and the operation of Tenant's business.

C. Tenant shall not do any work or request a permit or authorization for any work if same might cause a delay in the issuance of the Certificate of Occupancy for the demised premises if required by law, and in such instance such work and any request for a permit or authorization to do such work shall be deferred until after issuance of the Certificate of Occupancy for the demised premises.

D. If in the event of performing Tenant's work pursuant to this lease; (i) Tenant shall use only such contractors which Owner shall approve, which approval shall not be unreasonably withheld or delayed; and (ii) Owner will permit the entry of Tenant, its representatives and such contractors into the demised premises for these purposes, prior to the commencement of the term of said Lease, and while the contractors are working at the Premises. All Tenant's materials, work, installations and decorations of any nature brought upon or installed in the demised premises before the commencement of the term of said Lease shall be at Tenant's risk, and neither Owner nor any party acting on the Owner's behalf shall be responsible for any damage thereto or loss or destruction thereof, except as a result of the negligent acts or omissions of Owner, its agents, servants, contractors or invitees.

E. Tenant, or any contractor or contractors employed by Tenant, or any other persons who will perform work or install equipment for Tenant, shall first be approved by Owner and shall be fully covered by Workmen's Compensation Insurance. Tenant further covenants, at its sole cost and expense, to obtain and maintain at all times during the progress of such work and until completion thereof, public liability insurance policies covering Owner and having limits of not less than \$3,000,000.00 for injury or death for any one person, \$3,000,000.00 for injury or death arising out of any one occurrence and \$1,000,000.00 with respect to property damage, without any deductible amount. If Owner notifies Tenant that the work is not being performed satisfactorily and/or in accordance with the plans and specifications, and such deficiencies or deviations from the plans and specifications are specified, the Tenant will promptly take necessary steps to correct the same.

G. Tenant's contract with its contractors and/or other persons shall provide that such contractors and/or other persons shall look solely to the Tenant for payment and will hold the Owner and the building free from all liens and claims of all persons furnishing labor and materials thereof.

H. Provided that, in the reasonable opinion of the Owner's architect, it is necessary in order to comply with applicable local, state or federal rules or regulations, then upon the written request of the Owner, Tenant shall obtain and furnish to Owner all appropriate or customary certificates from all authorities having jurisdiction, including, but not limited to the Board of Fire Underwriters, to the effect that such work has, in all respects, been performed and completed in accordance with all laws, rules or regulations of all governmental or quasi-governmental authorities having jurisdiction.
